

Spring 2025: Update on Biblical Backgrounds materials

At Biblical Backgrounds our lineup of products has changed in the past few years. Among the materials that may be required for classes at different institutions, the “Geobasics Study Guide,” the “Regional Study Guide” and the “Acts and Apostles” are now only available in updated, discounted packages.

Please note the following.

- 1) If you need assistance with understanding the required materials for your course, please contact your instructor.
- 2) The cheapest way to purchase all of the marking guides and Acts materials noted above is to buy package, “Entire Set of Our Materials” which is at a 30% discount and includes:
 - All three packages
 - Two additional “Gateways”
 - “An Overview of 4000 Years”
 - “500 Years of Israelite Kings”
- 3) The marking guides are no longer available as separate items. A more detailed description is offered below.
 - a) The following items are now available only in the package “Learn the Bible through Maps,” which is also cheaper than the separate items.
 - Regional Study Guide [Guide]
 - Regional Study Maps [Maps]
 - Regions on the Run [Run]
 - b) The following items are now available only in the package “Learn the land of the Bible through Maps,” which is also cheaper than the separate items.
 - Geobasics Study Guide [Geobasics Guide].
 - Geobasics in the Land of the Bible [Geobasics Land]
 - c) The following items are now available only in the package “Learn Acts and the Apostles through Maps” which is also cheaper than the separate items.
 - This item no longer exists:

The Acts and the Apostles: Placing the Book of Acts and the Apostles on the Middle East Map. Biblical Backgrounds, 2013. [Acts]
 - It is replaced by “Learn Acts and the Apostles through Maps,” which is cheaper than separate items and includes new map and “Gateway”
